Government inspection at Seller’s facility is not anticipated on this order. During performance of this subcontract, the manufacturing and associated processes, products and inspection and/or test data are subject to review, verification, examination, test, and/or analysis by authorized Government representatives. Government inspection or release of product prior to shipment is not required unless Seller is otherwise notified.

The Government Representative who has been delegated Quality Assurance authorization on this procurement shall be immediately notified by Seller upon receipt of this purchase order.

Government Source Inspection shall not constitute final acceptance by either Buyer or Government and does not relieve Seller from any requirement of this purchase order.
